

DECLARATION AND POWER OF ATTORNEY FOR PATENT APPLICATION
English Language Declaration

As below named inventor, I hereby declare that:

My residence, post office address and citizenship are as stated below next to my name,

I believe I am an original, first and joint inventor (if plural names are listed below) of the subject matter which is claimed and for which a patent is sought on the invention entitled:

A KNEE JOINT PROSTHESIS

The specification of which

is attached hereto.

was filed in the US Patent Office as Application Serial No. 10/566,147 and was amended on the date this Declaration is filed.

I hereby state that I have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment referred to above.

Inventor Chitranjan S. Ranawat further declares that he is being added as an inventor, as necessitated by amendment of the claims, and that the inventorship error occurred without deceptive intention on his part.

Inventors Richard Farrar, Liam Rowley, Andrew Cohen and James Brooks further declare that they consent to the addition to this application of the inventor being added in this declaration, that the additional inventor is being added as necessitated by amendment of the claims, and that the inventorship error occurred without deceptive intention on their part.

I acknowledge the duty to disclose information which is material to patentability as defined in 37 CFR 1.56, including for continuation-in-part applications, material information which became available between the filing date of the prior application and the national or PCT international filing date of the continuation-in-part application.

I hereby claim foreign priority benefits under 35 U.S.C. 119(a)-(d) or 365(b) of any foreign application(s) for patent or inventor's certificate, or 365(a) of any PCT international application which designated at least one country other than the United States of America, listed below and have also identified below, by checking the box, any foreign application for patent or inventor's certificate, or any PCT international application having a filing date before that of the application on which priority is claimed.
